MN BEEF EXPO SALE SHOW

- Charolais is the featured breed at this year's event.
- Eberspacher Enterprises will manage and clerk all sales, as well as prepare the catalog/program.
- All exhibitors conducting a private sale of animals will be charged \$100 per animal.
- The show will be Saturday, October 22 at 8 a.m.
- Awards for class winners.
- All sale animals are eligible to show for \$6,750 in cash awards!
- **All cattle selling must have health certificate! No exceptions.**

HEALTH REQUIREMENTS: All cattle will be inspected by the official veterinarian the opening day of the exhibition. The official veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any animal with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They **MAY NOT** enter a show ring; animals affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is **NOT** acceptable. Animals known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined flock may not be entered in an exhibition. Any animal showing evidence of any disease, abscesses, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. If illness of any nature is suspected in any animal, said animal is subject to examination by the State Veterinarian and owner or exhibitor of said animal must abide by the decision of this veterinarian. Animals with **warts** or **ringworm** **MAY NOT** be shown.

A. All females must be **calfood vaccinated**.

B. All bred females must have accurate breeding dates and any female represented and sold as "safe in calf" must have a veterinarian's certificate stating that she has been examined within 30 days of sale date. Registration numbers on AI sires and pasture exposure bulls are required on the registration paper.

1. Cattle from Minnesota-Accredited-Free zone.

- a. Individual TB test All Minnesota Cattle (2) months of age or older must have been tested and proven negative for Bovine Tuberculosis. Tests must be conducted within 60 days prior to arrival at Expo.

2. Cattle from Minnesota-Modified Accredited Advanced (MAA) zone.

- a. Individual TB tests. Cattle two (2) months of age or older must have a negative Bovine Tuberculosis test within 60 days prior to arrival at the expo.
- b. Accredited tuberculosis free herd. Cattle originating from an accredited tuberculosis free herd are exempt from the individual TB test, If the animal is accompanied by a certificate of veterinary inspection that include the TB-free herd certification number of the herd of origin and the date on which the herd of origin was last tested for tuberculosis is within the last year.
- c. Animal movement certificate. All cattle that are moved from the MAA zone to exhibition must be accompanied by animal movement certificate approved by the Board.

3. Cattle from outside Minnesota. Must meet the Minnesota Importation requirements.
